

*Besace plate*

The diagram features a solid red curve that is concave down, peaking at the top center. A vertical dashed line passes through the peak of the curve. A dashed circle is centered on this vertical line, with its top edge touching the peak of the red curve. The red curve is above the circle, and the circle is above the lower part of the red curve. The text 'Besace plate' is written in blue, italicized font, following the slope of the red curve on the left side.
